

The purpose of doing positive word clouds is to create a classroom environment in which bullying is not tolerated

This project is different from www.wordclouds.com DO NOT confuse the two projects

STEPS

Step 1: open Word and change the page layout to landscape

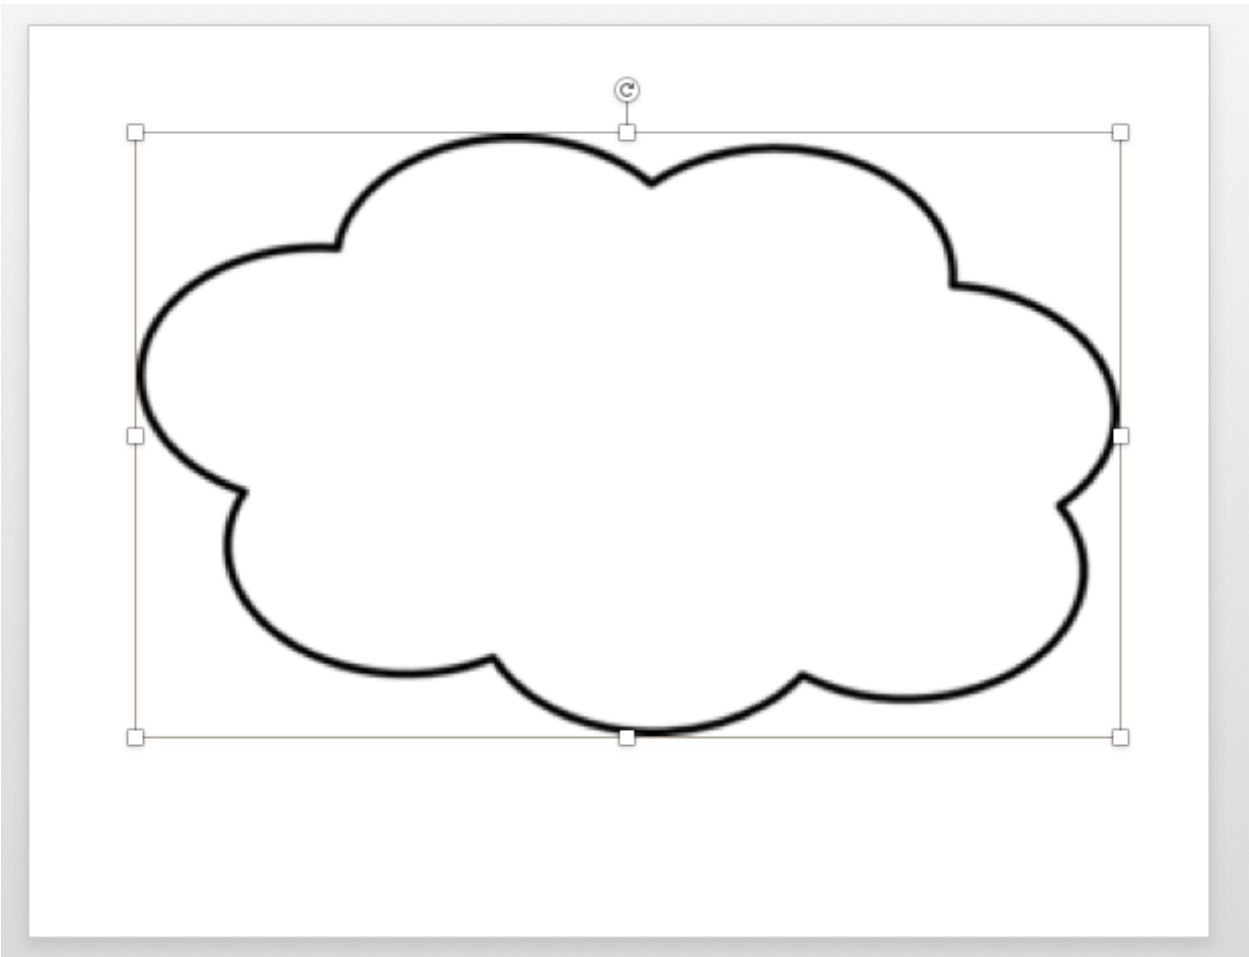

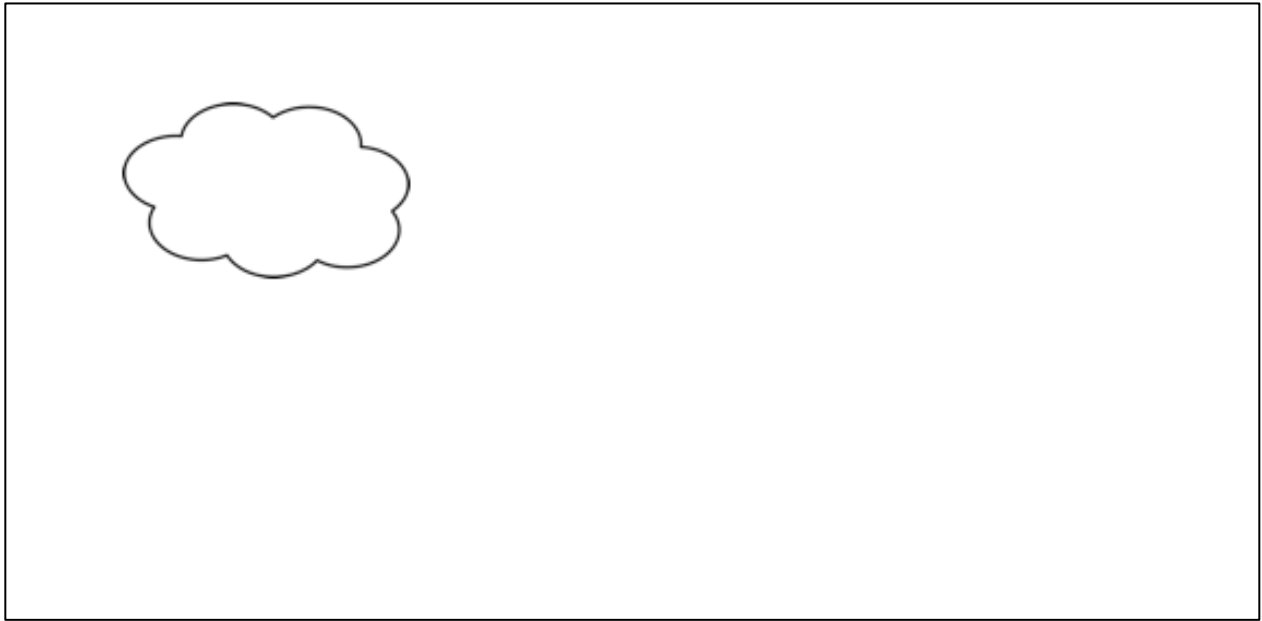

Step 2: Save your document with your name

Step 3: find an image of a cloud outline

Step 4: copy the image into Word and make it as big as you can to fit the page

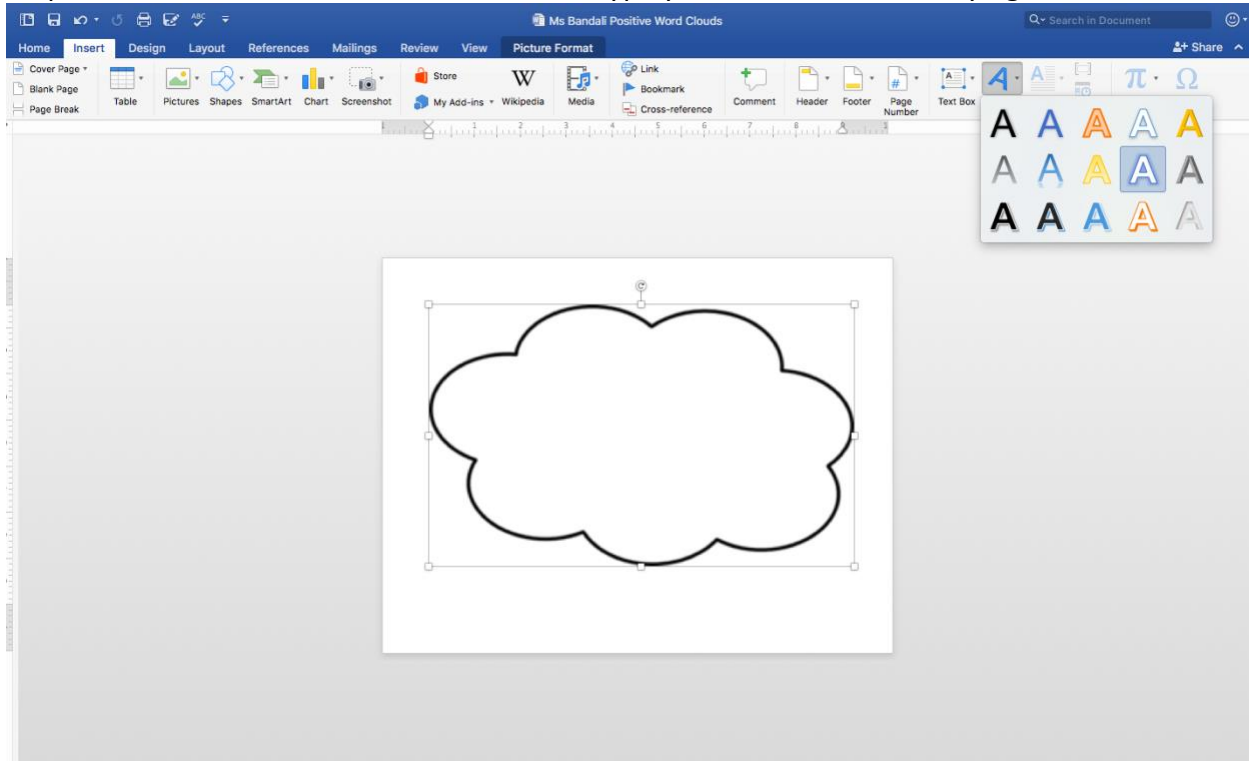

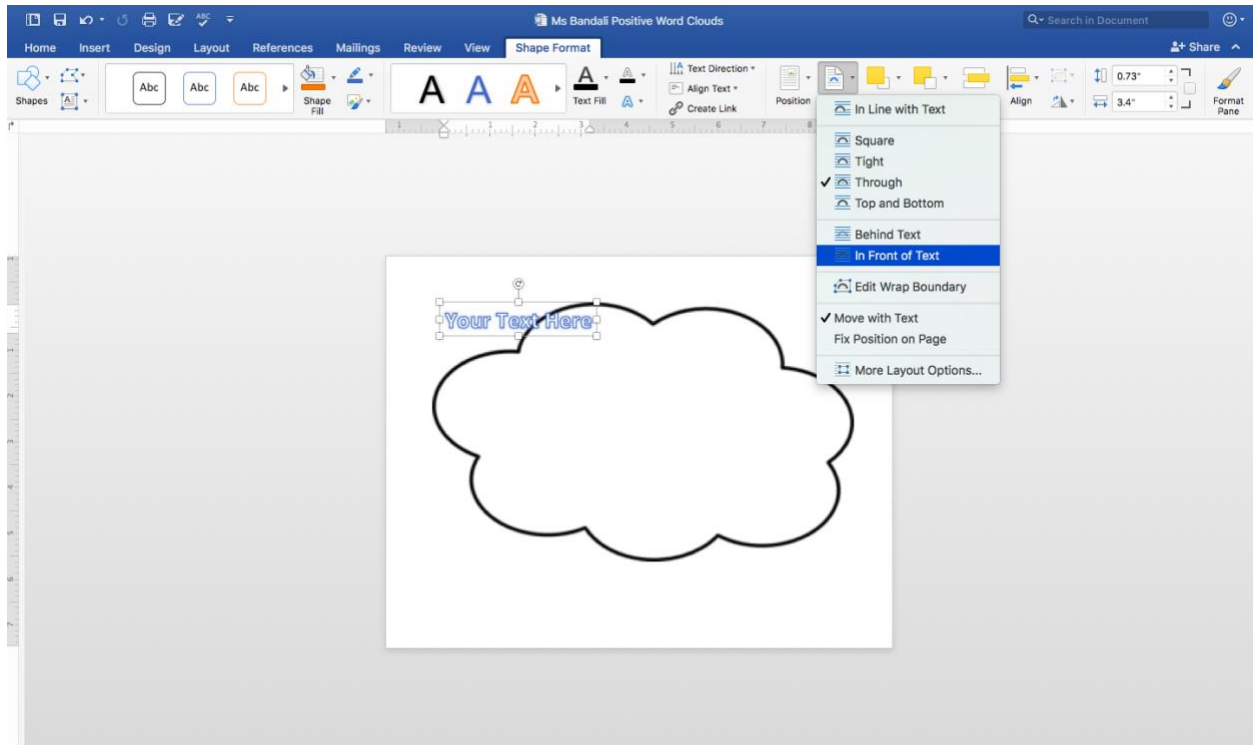

Step 5: choose a positive word or saying

Sample list

- Kind
- Brave
- Amazing
- Wonderful
- Smile
- Empathy
- Positive
- Optimism
- Happy
- Successful
- Peaceful
- Strong
- Independent
- Appreciated
- Humble

Step 6: create a text box inside the cloud and type your chosen word or saying

Step 7: insert other images (coloring book Style)

Step 8: print your cloud in black and white

Step 9: color in your cloud BY HAND and cut out the cloud

Step 10: when completed hand in your cloud into the correct inbox
