

# Video Production

# Steps

- Pre Production
  - Design
  - Beginning, middle and an end
  - Rehearsing lines
- During Production
  - Retakes of scenes
  - Changing and modifying lines to work better
- Post Production
  - Editing
  - May film another scenes

# Costs

- The costs will range depending on the video you are making
  - Cell phone video may cost nothing
  - But a movie like Lord of the Rings costed billions
